

# Introducing Innecto Reward Consulting

We get your pay &  
reward working harder

# A taste of what we do

International reward | reward strategy | executive  
compensation  
employee engagement | pay benchmarking  
job evaluation | pay frameworks  
reward communications  
benefit audit & design | variable pay  
sales bonus | remuneration committee support  
performance management

# Reward for today

**Engage  
your  
employees**  
through  
relevant  
and  
creative  
reward

# We say

“Reward is a key driver for business  
– it’s strategic and commercial.

We support our clients to really  
drive value and make a tangible  
difference through their reward”

Deborah Rees, Director of Consulting

# Commercial reward

**Reward that  
helps you  
deliver  
against your  
bottom line**

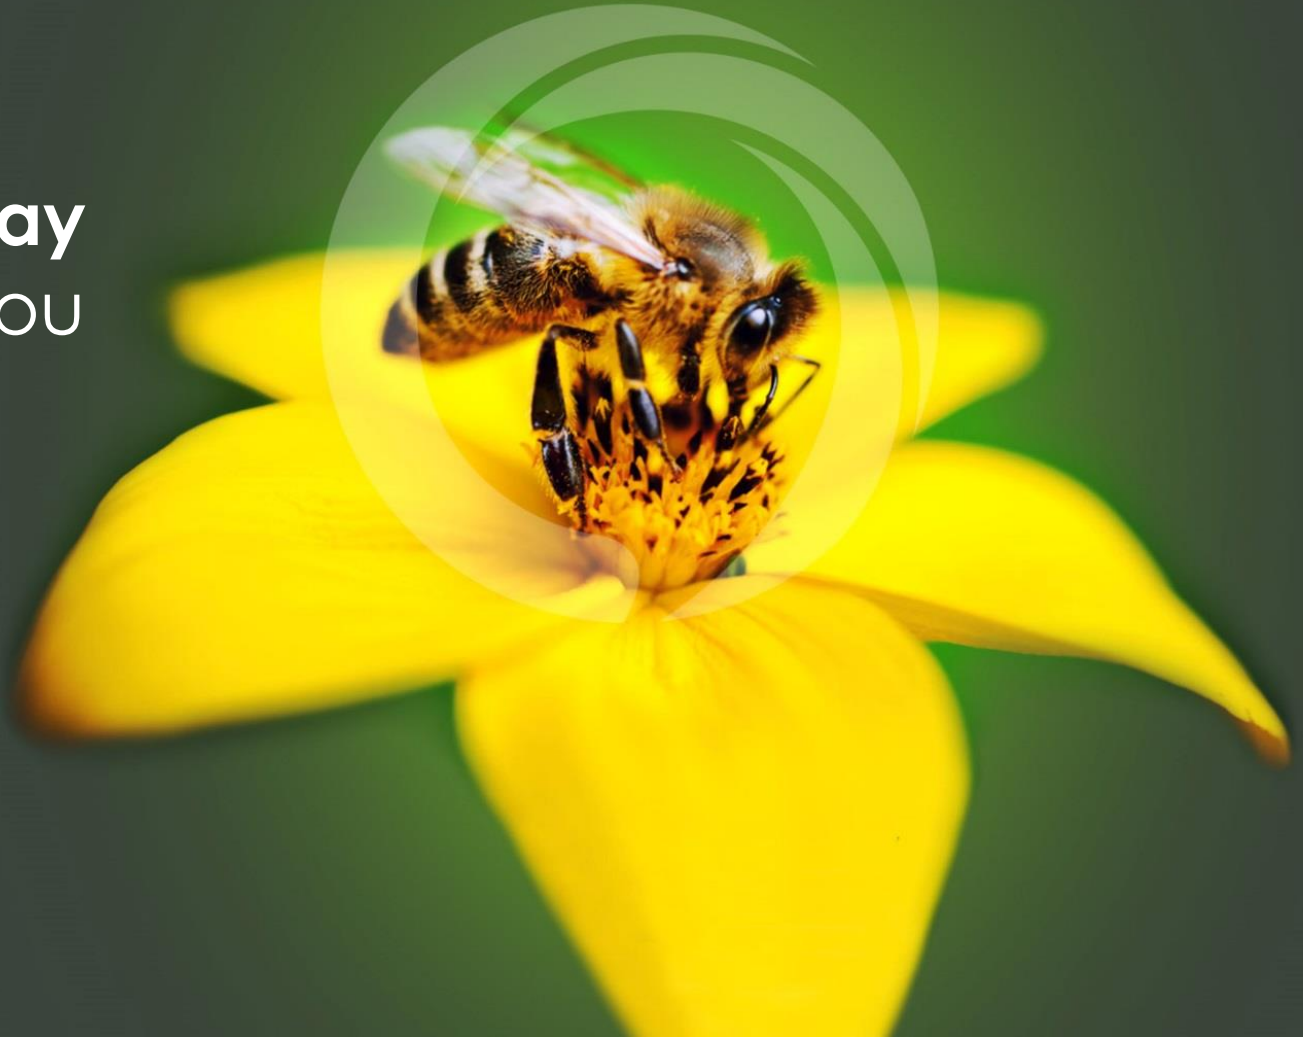

# Harder working reward

We look at one or all elements of your reward infrastructure and get it **working harder and more effectively** for you

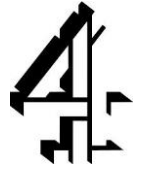

# 1<sup>st</sup> class reward

**Executive pay**  
that helps you  
attract the  
best talent

# They say

“Working with Innecto has increased employee engagement – employees are driven to great performance”

“I have reduced the cost and wastage in my reward, mainly the ‘out of pay review’ pay increases”

“Innecto give me the confidence that I’m making my organisation attractive to the best people”
